

NORDMAG

MAGNETICS AND MORE

NORDMAG was established to deliver our extensive combined knowledge over permanent magnets and electrical machines for use of our clients.

CONSULTATION

Consultation and Training
Permanent magnets.
Electrical machines

ENGINEERING

Permanent magnet motor
Design
Magnetic circuit design

PRODUCTS

Products of world leading
suppliers:
Permanent magnets
Magnet assemblies
High performance silicon
steel
Thin metal sheets

WHY US?

We have a long experience in permanent magnet business. Our knowledge includes sintered magnet manufacturing, permanent magnet motor design, sensor magnet geometry design and magnet trading. Our experience is a combination of practical know-how and deep understanding of the magnetism.

**WE CHALLENGE YOU
